Week No. 13 (April 13 - April 17, 2026)

Name: **Gorio, Ian L.**

Company: **Department of Environment and
Natural Resources - CAR**

Detailed Time Record:

Date (Day)	Actual Work Times	Hours Rendered	Work Accomplishment
April 13, 2026 (Monday)	10:00 am - 12:00 nn 1:00 pm - 5:00 pm	6 hrs	We continued developing the prototype of the new system, adding frameworks and starting to establish the flow of the process. We also started prepping for the frontend development, establishing and solidifying the overall preliminary theme to be used.
April 14, 2026 (Tuesday)	9:00 am - 12:00 nn 1:30 pm - 6:00 pm	7 hrs 30 mins	We finalized the creation of the prototype and the framework. We were able to establish a foundation of the process. We then shifted our focus on developing the frontend based on the prototype.
April 15, 2026 (Wednesday)	9:00 am - 12:00 nn 1:00 pm - 6:00 pm	8 hrs	We continued the development of our frontend. We had to change a bit of the theme as it is too dark. We also started the development of our core features,
April 16, 2026 (Thursday)	9:00 am - 12:00 nn 1:00 pm - 6:00 pm	8 hrs	Our supervisor came in and checked our progress. We were given feedback, that we had discussions of. With the feedback, we were able to get a better grasp of the process our system will have.
April 17, 2026 (Friday)	9:00 am - 12:00 nn 1:30 pm - 9:00 pm	10 hrs 30 mins	We continued the development of our system. We took the feedback from yesterday into consideration. For the front end we had to change some parts to ensure a better user experience. For the back end, we
